BEHAVIOUR MANAGEMENT POLICY

Our policy states that no physical force or restraint will be used by teachers or volunteers to discipline students at St James Co-operative Preschool. Children will be encouraged to help maintain safety and order in the classroom by clearly defined expectations and role modeling on the part of teachers and volunteers. Children will be encouraged to interact positively with others and gain conflict management skills. Children will be redirected to other play areas when his/her activity is disruptive. Time outs (still in the classroom with teacher support) or better stated as a loss of privilege and play, will be used as the next step measure when a child's behaviour is jeopardizing the safety of others. The child in question will return to play when he/she is willing to comply with the clearly outlined and expected behaviour. Removing a child from the room for a time out would be an extreme measure but would be initiated for the safety of the child and others. The child will remain under supervision of the teacher and would return to group activities when the child is able to regain self control of his/her emotions and physical behaviour. The child's parents will be informed of the child's outburst and it will be dually noted in the daily report. Please read the full policy in the Parent Handbook.

I _____ have read and do understand the Behaviour Policy Management of St. James Co-operative Preschool.

I agree to comply with the criteria outlined in the policy and understand that the failure to comply may result in the review of my participation in the nursery school by the Executive Board of St. James Co-op Preschool
